

Social Studies, Grade 1

Unit II: Lesson B1

Collage: **Similarities and Differences**

Look through old magazines for pictures of things you like or activities that you do well. Collect pictures of things another member of your family likes or does well.

Arrange the pictures about you on one side of the poster board. On the other side of the board place the pictures that describe the other person in your family. On the bottom of collage list the ways you are alike and the ways that you are different.

Display your collage in the classroom.
