Unit III: Lesson B3

Categorizing: **Type of Rule**

Some rules are for your safety and some are to ensure fairness. Analyze your school rules.

Make three columns on a piece of paper labeled: "Rules for Safety", "Rules for Fairness" and "Other." List each rule from your school bulletin under the correct heading.

For each rule in the "Other" column, try to give a good reason for the rule.

Tell your classmates about the rules and their reasons.
