

Social Studies, Grade 1
Unit IV: Lesson B3

Game: **Concentration**

Write a list of all the holidays you can think of. Ask other students to suggest any you may have forgotten.

Obtain some 5 x 7 cards and write the name of one holiday on each card. On another card, write a description of how the holiday is typically celebrated. Mix up all the cards and lay them face down in even rows. Turn over the cards two at a time. Try to match the holiday with its description.
