

Social Studies, Grade 2

Unit III: Lesson B6

Report: **Classroom Store**

Learn what is necessary to set up and operate a classroom store.

Write a plan for a classroom store to be used by all the students in the room. This plan should include: 1) A list of items to be sold and how to get those items 2) The person who will operate the store 3) The store location 4) Hours of operation 5) The money to be used 6) The process by which the students obtain the money.

After confirming your plan with your teacher, work with the other students in your class to set up and operate the classroom store.
