

Social Studies, Grade 3

Unit III: Lesson B3

Play: **Farm Life in One Act**

Imagine a scene around the dinner table of a farm family.

Write a one-act play that portrays a farm family at the dinner table. The dialogue in your play should describe the food, the events of the day, experiences of the family members, and the next day's agenda. Produce the play with volunteers from your class.

Perform the play for the rest of the class or to other classrooms.
