

Social Studies, Grade 3

Unit IV: Lesson B1

Problem Solving: **Community Problem**

With a group of students, choose a community problem you could help solve.

Brainstorm ways to solve the problem. Write a proposal using the best idea. Include a step-by-step implementation. Contact appropriate community leaders or agencies to present your proposal. Report to the class the community's response to your proposal.

Discuss the possibilities of planning a project based on the proposal.
