Unit V: Lesson A2

Story: **Lost Civilization**

Research the lost community Cahokia. Pretend that you were living at the time of this community's disappearance. Imagine that you have been away on a trading expedition to the north. When you return you find that a disaster has destroyed the community and its people.

After analyzing the situation, write a story telling what happened to Cahokia.

After you have proofread your story and written your final copy, read your story to the class.
