

Social Studies, Grade 4

Unit I: Lesson B2

Brochure: **State Visitor's Guide**

Imagine that you have been asked to prepare a visitor's guide for your state, which focuses on its geographical features. Research your state's geographical features.

Contact Chambers of Commerce from different areas of your state for further information. After organizing and analyzing your material, prepare a visitor's guide or brochure using descriptions and geographical pictures.

Share your visitor's guide with fellow classmates.
