

Social Studies, Grade 6

Unit I: Lesson A2

Itinerary: **How Can I Get There?**

Plan a two week trip to any country in Latin America or Canada. Research the areas you plan to visit.

Write your itinerary of places to go and things to see and do. Collect travel brochures and pamphlets about the places. Identify how much the trip will cost and how you will earn the money to take this trip, including how long you will have to work, and how much you will be paid.

Place all of your information in a notebook. Share your notebook with the class.
