

Social Studies, Grade 6

Unit I: Lesson B1

Debate: **Overthrow the Government?**

Research the various types of governments found throughout Latin America. Read about a revolution in one of the countries within the last few years. Look at the causes and results.

Organize a debate, asking for several class members to participate. Write the outline for each person in the debate. Topic: Resolved, that people should unite to overthrow a military government.

Ask class members to vote on the resolution after your debate.
