

Social Studies, Grade 6

Unit II: Lesson C12

Role-play: **Aztec Social Structure**

Research the social structure of the Aztec people.

Write descriptions of each of the social groups found in the structure. Divide the classroom into groups and give each group a description written about one of the Aztec groups. Organize a day when the class can role-play their parts. Give suggestions to each group on how they might act. You should guide their discussion of the details.

At the end of the day, be prepared to help evaluate the experience. Prepare written questions to which the group may respond.
