Unit III: Lesson A6

Planning: **Vacation in Canada**

Write to the Canadian National Park Service of Glacier, Banff, or Jasper National Park. Request information on what facilities are available for the tourist and what things they recommend doing in the park.

Plan your family's vacation for next summer. Select one of the parks, plan each day's activities, and estimate the total cost of the trip including transportation, food, lodging and other sight-seeing activities.

Share your written plan with your teacher.
