

Social Studies, Grade 6

Unit III: Lesson B2

Party: **Plains Cultural Heritage**

Research some of the unique customs, foods, holidays and other celebrations of several of the people who have immigrated to the Interior Plains of Canada, such as Ukrainians, Germans, Poles or Scandinavians.

Organize a party, involving other students, in which you prepare typical food, make crafts, and play games and music typical of one or more of the Canadian immigrant groups.

With your teacher's help, host the party.
