

Social Studies, Grade 6
Unit III: Lesson B3

Design: **Canadian Flag**

Research the history and symbolism of the current and past Canadian flags. Read from newspaper or magazine articles some of the Canadian government's debate on the issue of a new Canadian flag in 1964.

Design a flag for Canada. Prepare a display of Canadian flags with written descriptions explaining the symbols on those flags.

Include your proposed design and explain the reasons for the symbols you have chosen for your flag.
