

Social Studies, Grade 6

Unit III: Lesson B5

Phrase Book: **Touring Quebec**

Plan a trip to Montreal, Quebec. Make a list of the places you would most want to see on your trip, giving the reasons for your choices.

Prepare a French-English phrase book for use in Montreal. Be sure to include all the important phrases that a non-French speaking tourist would need.

Put your list of sites and phrase book in the classroom library.
