

Social Studies, Grade 6

Unit IV: Lesson A9

Display: **Art Reproductions**

Read and study the book, *Latin American Images, an introduction to twentieth century Latin American art*, which includes 20 art reproductions. Analyze the art reproductions for events in history that they might portray.

Create a table that compares the art work to the event. Research the events for details to compare.

Collect samples to use with your table and the reproductions to create a bulletin board display.
