Unit IV: Lesson C2

Itinerary: **Mexico Vacation**

Research Mexico tourist locations. Collect materials and prices on vacations packages. Imagine that you are taking a two-week vacation to Mexico.

Construct a map of Mexico showing your destinations. Highlight on this map the places of historical and cultural interest, using symbols you create. Write an itinerary of your two-week visit, including dates, destinations, route, and miles traveled, lodging, and tourist attractions visited.

Display your work for the class.
