

Social Studies, Grade 6

Unit V: Lesson A2

Scrapbook: **Belize Coral Reef**

Research the coral reef off the coast of Belize. It is the second largest coral reef in the world.

Construct a scrapbook illustrating the natural life found in the reef. Include in this scrapbook a map of Central America and the Caribbean that shows the location of the reef. Also include a written summary of the formation and uses of the reef.

Make your scrapbook available to other students.
