

Social Studies, Grade 6
Unit VII: Lesson A1

Story: **Adventures**

Imagine one of the following scenarios: prospecting for silver in the Andes, exploring the Amazon River by canoe, or riding in the Giana Highlands. Research the area chosen, looking at the land, climate and natural resources.

Write an adventure story that includes descriptions of the bodies of water, land forms, and wildlife. Illustrate the story and make a cover.

Make your book available for class members to read.
