Unit VII: Lesson A9

Pictorial Essay: **Peruvian Farms**

Peruvians changed their coastal farm after 1969. Create two pictures, a before and after set, that shows the changes to the coastal farm. In a short paragraph, prepare a commentary to explain the reason for the changes and the processes involved.

To further compare, collect pictures of farms around the world, both ancient and modern, that had similar problems and solutions. Include a commentary that gives the background for each picture.

In a final written report, draw conclusions regarding these changes in man's relation to the land.
