

Social Studies, Grade 6

Unit VII: Lesson B15

Fact Sheet: **Country Comparison**

Compare Brazil to the United States in as many ways as possible. Gather resource materials and research facts. From prior knowledge about social studies, brainstorm as many ways to compare two countries as possible. Consider the form of government, climate, size, geography, currency, and population.

Prepare your fact sheet.

Make copies of this sheet for your classmates or post the information somewhere in your classroom.
