

Social Studies, Grade 8

Unit VII: Lesson C3

Journal: **European Immigrant**

Read the story *Mama's Papa*. Research the immigrant groups that come to America in the late 1800s.

Imagine you are a European immigrant crossing the Atlantic Ocean on a steamer.

Write a journal of your journey. Include your thoughts on leaving Europe, your experiences on the ship, your experiences going through New York City's Ellis Island, and your eventual establishment in the New World.
