

Social Studies, Grade 8

Unit VII: Lesson E8

Essay: **John Hyatt's Inventions**

Research the most important invention of John Hyatt.

In an essay, discuss the effects of John Hyatt's invention. Name as many objects as you can which would not exist today if it were not for his invention. Choose a few of the most important and give the reasons why you feel these objects are important and dependent upon Hyatt's invention.

Conclude with a report of how society today would be different if it had not been for this invention.
