

Mathematics, Geometry
Unit II: Lesson 2

Literature: **Twisted Logic**

Read *Alice's Adventures in Wonderland* or *Through the Looking Glass*. Lewis Carroll, the author, was a mathematics teacher who wrote stories as a hobby. His books contain examples of poor logic.

As you read, identify examples of poor logic. Choose 3 you could adapt into a skit and write the skit.

With a friend or friends perform the skit for the class. Explain the fallacy in the reasoning for each.
