

Social Studies, Kindergarten

Unit I: Lesson 3

Poster: **I Can Do It Myself!**

Make a list of all the things you can do for yourself.

Find pictures in magazines or draw pictures that show four or five things you do well all by yourself. Attach your pictures to a poster board and give your board a title, like "I Can Do It Myself".

Show your poster to your classmates. As you learn new skills, add pictures of your skills to your poster.
