

Social Studies, Kindergarten

Unit I: Lesson 4

Puppet Show: **Who Am I?**

Make a list of the people who help you in an emergency.

Make a paper bag puppet to represent each person. Use brown lunch sacks, markers, crayons, glue, yarn, buttons, bits of cloth, tin foil and any other materials you can think of. Think of what each puppet could say to identify itself. For example: "I am a helper. I put out fires and rescue kittens out of trees. Who am I?" (I am a firefighter.)

Present your puppets in a show to your classmates. Ask them to guess each one. Explain to them how different people help us in emergencies.
