Unit II: Lesson C1

Puppet Show: **Similarities and Differences**

Make up two different first graders. Think about how they are alike and different, how they look, food and TV shows they like or don't like. Make a puppet of each character.

Plan and write out a brief conversation between your two puppets that reflect their similarities and differences.

With a friend, present a puppet show for your classmates which shows how we are alike in some ways but different in other ways.
