

Social Studies, Grade 1
Unit IV: Lesson D3

Poster: **World Cultures**

Locate books, articles, and websites about four different countries of your choice.

For each of the four countries, find out what the native costume is, what some of the favorite foods are, and what kinds of houses people live in. On a large piece of paper, make four columns with a country's name as a heading for each one. Draw or collect pictures of their costumes, favorite foods, and kinds of houses and glue them in the correct columns.

Show your poster to your classmates.
