

Social Studies, Grade 2

Unit I: Lesson A4

Newspaper: **Home and School**

Meet with the leaders of your school's Home and School Organization. Learn what the Home and School does to help the school.

Think about different ways students and their parents could help the Home and School Organization to make the school better.

Write and illustrate a newspaper to send home with students to tell parents and students how they can help with some of the things the Home and School does at your school.
