

Social Studies, Grade 2

Unit II: Lesson A4

Cartoon: **Prejudice Then and Now**

Read stories about how African Americans were mistreated in the past. Talk with one or more African Americans. Ask if they feel they are mistreated today. Ask them how they want other people to treat them.

Compare the prejudice against African Americans in the past with the prejudice against them today. List what some of the differences are and what some of the similarities are.

Draw cartoons showing how African Americans would like other people to treat them.
