

Social Studies, Grade 2

Unit II: Lesson A8

Holiday Celebration: **Honor a Bible Hero**

Select a person from the Bible whom you think deserves the honor of a holiday. Read stories about what that person did to help others.

Decide what things you should do on the holiday that would make other people understand why you think this person was a hero.

Choose a day for the holiday and plan a holiday celebration. Include activities, symbols and special foods. Get a friend or friends to help you.
