Report: **Passover**

Read about the history of the celebration of Passover in the Bible. Research how the holiday is celebrated by Jews today in the United States. Write questions you might want to ask a Rabbi about Passover. Visit a synagogue to ask the Rabbi your questions.

Think about the differences between the way Passover was celebrated in Bible times and the way it is celebrated today.

Write a report telling about the history of Passover and explaining how the holiday is celebrated by Jews today. Share the report with your classmates.
