

Social Studies, Grade 2

Unit IV: Lesson C2      Newspaper Article: **Community Service Workers**

Select one kind of community service worker and research how that person helps the community. Read about that type of worker. Write questions you would like to ask that person such as 1) What different things do you do? 2) What kind of school or training did you need to do your work? 3) What do you like best and least about your work? Make an appointment to visit this person's workplace for an interview.

Think of the things you learned that are the most important and the most interesting. Organize your information.

Write a feature article for your school newspaper or a pretend newspaper. In the article tell interesting and important things about the community service worker.
