

Social Studies, Grade 2  
Unit V: Lesson B4

Comic Strip: **Boston Tea Party**

Research the Boston Tea Party during the time before the American Revolution. Learn why the American colonists threw tea overboard. Learn what some of the different American colonists thought about what was done.

Decide if the Boston Tea Party was a good thing to do or if it was not a good thing to do. Make sure you have reasons for what you decide.

Draw comic strips for a newspaper. The comic strips should show what happened during the Boston Tea Party. The comic strips should also show if you think it was a good or bad thing for the American colonists to do. Make sure people understand the reasons you think it is good or bad.
