Unit II: Lesson B4

Paragraph: **Adding to the Story**

Read the Brothers Grimm story about the golden goose and imagine the authors have asked you to write an additional paragraph.

Write a short paragraph about the little old man, which includes a few facts that might explain why he was alone in the woods, why he asked strangers for food and drink, and how he came to have the golden goose.

Read your extended story to your classmates. Ask them to make two or three inferences from the facts given in the story.
