

Social Studies, Grade 3

Unit III: Lesson A1

Budget: **If I Had \$20 Each Week**

Imagine you have \$20.00 per week for your own use.

Design a budget to show how you would use your money. Consider such expenses as lunch, bus fare, school supplies, entertainment, and savings.

With parental consent, really try the budget out for two to three weeks. Make any changes necessary, and share your ideas with the class.
