

Social Studies, Grade 5

Unit I: Lesson B7

Display: **French or Spanish?**

The United States has been influenced by many European countries. Using a map of the United States, generate a list of cities whose names have French or Spanish origin.

Draw an outline of the United States and indicate the French cities in one color and the Spanish cities in another color. Indicate the routes of the French and Spanish explorers.

Display your map on a class bulletin board.
