

Social Studies, Grade 5

Unit I: Lesson B8

Speech: **Let's Go to America!**

Study the three major European countries that had settlements in the New World. Learn about their motivation for exploration, the areas they explored, and their dealings with Native Americans.

Choose the country you most identify with and pretend you are a leader of an expedition from that country to America.

Prepare a speech to your classmates designed to persuade them to come along.

Deliver your speech to the class.
