

Social Studies, Grade 5

Unit I: Lesson C1

Play: **Beothuk and Vikings Together**

The Beothuk Native Americans lived on Newfoundland Island when the Vikings arrived. Research the story of these Native Americans. Visualize what the meeting between the Native Americans and the Vikings might have been like.

Write a script dramatizing their meeting. Include information they might have shared that demonstrates their similarities and their differences.

With a select group of students, present your play to the classroom or school assembly.
