

Social Studies, Grade 8

Unit I: Lesson B7

Debate: **Treatment of Native Americans**

Collect facts on how Native Americans were treated by the early Americans. Collect facts on how Native Americans are treated in today's society.

In your preparation for debate, analyze the following:

1. Are Native Americans treated differently today than they were treated in the past?
2. What impressions have the Native Americans made on your lives?
3. Did the railroad change the life of the Native American?

Hold a debate with a group of other students.
