

Social Studies, Grade 8

Unit II: Lesson A9

Map: **North America Exploration**

Use reference sources to find out more about the explorations of Marquette, Joliet, and LaSalle in North America.

Draw a map to illustrate their explorations. On your map, use arrows to show the progress of each exploration. Explain the arrows in a map key. Use dates to show the progress of each exploration. Label all other necessary information on the map and give the map a title.

Display your map.
