

Social Studies, Grade 8

Unit III: Lesson A2

Research: **Imaginary Passport**

Research what types of restraints are placed on the right to travel in today's society.

Collect information on the United States' policy concerning freedom of travel and what restraints exist, if any. Choose at least two other countries and collect the same information.

Imagine that you live in each of the three countries researched. You want to obtain a passport. Outline in detail the steps you must follow in each country to obtain a passport for each country.
