

Social Studies, Grade 8

Unit IV: Lesson B1

Outline: **The Role of the Vice President**

Research the role of the vice president of the United States when John Adams was vice president. Research the role of the vice president today.

Adams did not enjoy his role as vice president. He felt that his responsibilities were insignificant. Compare and contrast his responsibilities with current vice presidential responsibilities. Make an outline of your findings.

Share your outline with the class.
