

Social Studies, Grade 8

Unit VII: Lesson B1

Map / Report: **Native American Nations**

Research the Plains Native Americans.

Draw an outline map of the United States and label the areas where the different Native American nations lived. Use symbols to show the amount of buffalo that were in the same geographic areas and any other interesting information about these nations. Include a key to explain your symbols.

Write a short report comparing the nations and post it on a bulletin board beside your map.
