Unit VIII: Lesson C11

Skit: **Big Four Peace Talks**

Research the Big Four peace talks that took place in Paris during 1918 and 1919.

Prepare a skit of the peace talks. You should assume the role of one of the Big Four powers. Ask three of your classmates to assume the other roles. Ask other classmates to take the roles of other participants. Keep the skit open ended so that the players can finish the story in their own way. Begin the skit with a negotiation on one of the issues of peace discussed in the Paris peace negotiation.

Perform the skit for the class.
