Unit II: Lesson A1

Map / Model: **Great Wall of China**

Make a map or a model of the Great Wall of China and write captions giving interesting and important information about it.

Use several different resources to collect the following information on the building of the Great Wall:

- When it was built?
- Who built it?
- How it was built?
- For what purpose was it built?
- At what cost was it built?
- With what success was it built?

Choose a title that summarizes how the Great Wall is a symbol of China's history.
