

Social Studies, Grade 7

Unit II: Lesson C3

Time Line: **Domino Theory**

Read about the nations of Asia that currently have communist governments. Research the background of the phrase "Domino Theory."

Write a one or two-page report analyzing some of the reasons why these countries have become communist. Analyze whether the Domino Theory has been proven in South-Asian political changes.

Prepare a time line to accompany the report, showing the events leading to each government's change.
