

Social Studies, Grade 7

Unit III: Lesson A1

Essay: **Early Native American Religions**

Research the religions of the Inca, Maya, and Aztecs.

Make a chart listing the similarities and differences of each religion. Consider specific beliefs, practices, and organization. Distinguish any factors that strengthened or weakened the government. Choose which religion you believe best met the needs of the people.

Write a two-page essay in which you state your choice and defend it using information from your research.
