

Social Studies, Grade 7  
Unit III: Lesson B2

Debate: **“Better Off”**

Organize, write, and participate in a formal debate, with selected classmates, on this proposition:

*“It would have been better for the world if the Americas had first been discovered and settled by the English instead of the Spanish.”*

Research all sides of this proposition and share your research by making outlines and notes for each of the members of the debate teams.
